FOR IMMEDIATE RELEASE:

## **FIA Named in 2012 Best Places to Work in Connecticut Survey**

**Windsor, CT – January 12, 2012** Fiduciary Investment Advisors was recently named as one of the Best Places to Work in Connecticut. This seventh annual program was created by the *Hartford Business Journal*, and Best Companies Group.

This survey and awards program was designed to identify, recognize and honor the best employers in Connecticut, benefiting the state's economy, workforce and businesses. The list is made up of 12 small/medium-sized companies (15-199 employees).

Companies from across the state entered the two-part survey process to determine the Best Places to Work in Connecticut. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking.

The actual rankings will be published in the March 2012 issue of *Hartford Business Journal* and Fiduciary Investment Advisors will be recognized at a special awards ceremony on March 21<sup>st</sup>.
